FEATURES, MAGIC ITEMS AND SPELLS

SPECOP PENGUIN TRAITS

ARCTIC NATIVE

You have resistance to cold damage. You are immune to the effects of both cold weather and Extreme Cold as described in the *Dungeon Master's Guide* (page 110). Furthermore, you do not treat shallow water, snow, or ice as difficult terrain.

CREATURE OF THE SEA

You can breathe air and water, and you have resistance to cold damage. Aquatic animals have an extraordinary affinity with your people. You can communicate simple ideas to any Beast that has a swimming speed. It can understand your words, though you have no special ability to understand it in return.

PENGUIN NIMBLENESS

You can move through the space of any creature that is of a size larger than yours. Your base walking speed is 20 feet but you can use your bonus action to "belly slide"; increasing your walking speed by 20 feet. While "belly sliding" you cannot use the Attack Action and also cannot cast spells or use objects. As an action you can stop belly sliding and stand up. You also have a swim speed of 50 feet.

PENGUIN STRIKE

If you have advantage on the attack roll and you are hidden from the target, you can make an unarmed strike stunning the target until the end of its next turn. The target must make a Constitution saving throw against your attack roll DC (the DC can be set at 10 + your Strength or Dexterity modifier, depending on your character build) or is stunned for 1 additional round. If the target's hit points are equal to or lower than half of their maximum hit points and they fail the save, they are knocked unconscious for 1 minute or until they take damage. You can use this attack equal to half your player level rounded down per short rest.

COURTIER

In your earlier days, you were a personage of some significance in a noble court or a bureaucratic organization. You might or might not come from an upper-class family; your talents, rather than the circumstances of your birth, could have secured you this position.

You might have been one of the many functionaries, attendants, and other hangers-on in the Court of

Silverymoon, or perhaps you traveled in Waterdeep's baroque and sometimes cutthroat conglomeration of guilds, nobles, adventurers, and secret societies. You might have been one of the behind-the-scenes law-keepers or functionaries in Baldur's Gate or Neverwinter, or you might have grown up in and around the castle of Daggerford.

Even if you are no longer a full-fledged member of the group that gave you your start in life, your relationships with your former fellows can be an advantage for you and your adventuring comrades. You might undertake missions with your new companions that further the interest of the organization that gave you your start in life. In any event, the abilities that you honed while serving as a courtier will stand you in good stead as an adventurer.

COURT FUNCTIONARY

Your knowledge of how bureaucracies function lets you gain access to the records and inner workings of any noble court or government you encounter. You know who the movers and shakers are, whom to go to for the favors you seek, and what the current intrigues of interest in the group are.

SPELL SNIPER

You have learned techniques to enhance your attacks with certain kinds of spells, gaining the following benefits:

- When you cast a spell that requires you to make an attack roll, the spell's range is doubled.
- Your ranged spell attacks ignore half cover and three-quarters cover.
- You learn one cantrip that requires an attack roll. Choose the cantrip from the bard, cleric, druid, sorcerer, warlock, or wizard spell list. Your spellcasting ability for this cantrip depends on the spell list you chose from: Charisma for bard, sorcerer, and warlock; Wisdom for cleric or druid; or Intelligence for wizard.

WARLOCK TRAITS

OTHERWORDLY PATRON (THE HEXBLADE)

EXPANDED SPELL LIST

The Hexblade lets you choose from an expanded list of spells when you learn a warlock spell. The following spells are added to the warlock spell list for you.

LAW DOMAIN SPELLS

Spell Level	Spells
1st	Shield, Wrathful Smite
2nd	Blur, Branding Smite
3rd	Blink, Elemental Weapon
4th	Phantasmal Killer, Staggering Smite
5th	Banishing Smite, Cone of Cold

HEXBLADE'S CURSE

Starting at 1st level, you gain the ability to place a baleful curse on someone. As a bonus action, choose one creature you can see within 30 feet of you. The target is cursed for 1 minute. The curse ends early if the target dies, you die, or you are incapacitated. Until the curse ends, you gain the following benefits:

- You gain a bonus to damage rolls against the cursed target. The bonus equals your proficiency bonus.
- Any attack roll you make against the cursed target is a critical hit on a roll of 19 or 20 on the d20.
- If the cursed target dies, you regain hit points equal to your warlock level + your Charisma modifier (minimum of 1 hit point).

You can't use this feature again until you finish a short or long rest.

HEX WARRIOR

At 1st level, you acquire the training necessary to effectively arm yourself for battle. You gain proficiency with medium armor, shields, and martial weapons.

The influence of your patron also allows you to mystically channel your will through a particular weapon. Whenever you finish a long rest, you can touch one weapon that you are proficient with and that lacks the two-handed property. When you attack with that weapon, you can use your Charisma modifier, instead of Strength or Dexterity, for the attack and damage rolls. This benefit lasts until you finish a long rest. If you later gain the Pact of the Blade feature, this benefit extends to every pact weapon you conjure with that feature, no matter the weapon's type.

ACCURSED SPECTER

Starting at 6th level, you can curse the soul of a person you slay, temporarily binding it in your service. When you slay a humanoid, you can cause its spirit to rise from its corpse as a specter. When the specter appears, it gains temporary hit points equal to half your warlock level. Roll initiative for the specter, which has its own turns. It obeys your verbal commands, and it gains a special bonus to its attack rolls equal to your Charisma modifier (minimum of +0).

The specter remains in your service until the end of your next long rest, at which point it vanishes to the afterlife.

Once you bind a specter with this feature, you can't use the feature again until you finish a long rest.

ELDRITCH INVOCATIONS

In your study of occult lore, you have unearthed Eldritch Invocations, fragments of forbidden knowledge that imbue you with an abiding magical ability.

At 2nd level, you gain two eldritch invocations of your choice. When you gain certain warlock levels, you gain additional invocations of your choice, as shown in the Invocations Known column of the Warlock table. A level prerequisite refers to your level in this class.

Additionally, when you gain a level in this class, you can choose one of the invocations you know and replace it with another invocation that you could learn at that level.

KNOWN INVOCATIONS

Agonizing Blast.

When you cast eldritch blast, add your Charisma modifier to the damage it deals on a hit.

Ghostly Gaze.

As an action, you gain the ability to see through solid objects to a range of 30 feet. Within that range, you have darkvision if you don't already have it. This special sight lasts for 1 minute or until your concentration ends (as if you were concentrating on a spell). During that time, you perceive objects as ghostly, transparent images.

Once you use this invocation, you can't use it again until you finish a short or long rest.

Investment of the Chain Master.

When you cast find familiar, you infuse the summoned familiar with a measure of your eldritch power, granting the creature the following benefits:

- The familiar gains either a flying speed or a **swimming speed** (your choice) of 40 feet.
- As a bonus action, you can command the familiar to take the Attack action.
- The familiar's weapon attacks are considered magical for the purpose of overcoming immunity and resistance to nonmagical attacks.
- If the familiar forces a creature to make a saving throw, it uses your spell save DC.
- When the familiar takes damage, you can use your reaction to grant it resistance against that damage.

Thirsting Blade.

You can attack with your pact weapon twice, instead of once, whenever you take the Attack action on your turn.

PACT BOON (PACT OF THE CHAIN)

- You learn the find familiar spell and can cast it as a ritual. The spell doesn't count against your number of spells known.
- When you cast the spell, you can choose one of the normal forms for your familiar or one of the following special forms: imp, pseudodragon, quasit, or sprite.
- Additionally, when you take the Attack action, you can forgo one of your own attacks to allow your familiar to make one attack with its reaction.

SPELLS

CANTRIPS

ELDRITCH BLAST

Evocation Cantrip

Casting Time: 1 Action

Range: 120 feet

Components: V, S

Duration: Instantaneous

A beam of crackling energy streaks toward a creature within range. Make a ranged spell attack against the target. On a hit, the target takes 1d10 force damage.

At Higher Levels. The spell creates more than one beam when you reach higher levels: two beams at 5th level, three beams at 11th level, and four beams at 17th level. You can direct the beams at the same target or at different ones. Make a separate attack roll for each beam.

MAGE HAND

Conjuration Cantrip

Casting Time: 1 Action

Range: 30 feet

Components: V, S

Duration: 1 Minute

A spectral, floating hand appears at a point you choose within range. The hand lasts for the duration or until you dismiss it as an action. The hand vanishes if it is ever more than 30 feet away from you or if you cast this spell again.

You can use your action to control the hand. You can use the hand to manipulate an object, open an unlocked door or container, stow or retrieve an item from an open container, or pour the contents out of a vial. You can move the hand up to 30 feet each time you use it.

The hand can't attack, activate magical items, or carry more than 10 pounds.

MIND SLIVER

Enchantment Cantrip

Casting Time: 1 Action

Range: 60 feet

Components: V

Duration: 1 Round

You drive a disorienting spike of psychic energy into the mind of one creature you can see within range. The target must succeed on an Intelligence saving throw or take 1d6 psychic damage and subtract 1d4 from the next saving throw it makes before the end of your next turn.

At Higher Levels. This spell's damage increases by 1d6 when you reach certain levels: 5th level (2d6), 11th level (3d6), and 17th level (4d6).

RAY OF FROST

Evocation Cantrip

Casting Time: 1 Action

Range: 60 feet

Components: V, S

Duration: Instantaneous

A frigid beam of blue-white light streaks toward a creature within range. Make a ranged spell attack against the target. On a hit, it takes 1d8 cold damage, and its speed is reduced by 10 feet until the start of your next turn.

At Higher Levels. The spell's damage increases by 1d8 when you reach 5th level (2d8), 11th level (3d8), and 17th level (4d8).

LEVEL 1

ARMOR OF AGATHYS

1st-Level Abjuration

Casting Time: 1 Action

Range: Self

Components: V, S, M (a cup of water)

Duration: 1 hour

A protective magical force surrounds you, manifesting as a spectral frost that covers you and your gear. You gain 5 temporary hit points for the duration. If a creature hits you with a melee attack while you have these hit points, the creature takes 5 cold damage.

At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, both the temporary hit points and the cold damage increase by 5 for each slot.

HEX

1st-Level Enchantment

Casting Time: 1 Bonus Action

Range: 90 feet

Components: V, S, M (the petrified eye of a newt)

Duration: Concentration, up to 1 hour

You place a curse on a creature that you can see within range. Until the spell ends, you deal an extra 1d6 necrotic damage to the target whenever you hit it with an attack. Also, choose one ability when you cast the spell. The target has disadvantage on ability checks made with the chosen ability.

If the target drops to 0 hit points before this spell ends, you can use a bonus action on a subsequent turn of yours to curse a new creature.

A Remove Curse cast on the target ends this spell early.

At Higher Levels. When you cast this spell using a spell slot of 3rd or 4th level, you can maintain your concentration on the spell for up to 8 hours. When you use a spell slot of 5th level or higher, you can maintain your concentration on the spell for up to 24 hours.

LEVEL 2

DARKNESS

2nd-Level Evocation

Casting Time: 1 Action

Range: 60 feet

Components: V, M (Bat fur and a drop of pitch or piece of coal)

Duration: Concentration, up to 10 Minutes

Magical darkness spreads from a point you choose within range to fill a 15-foot-radius sphere for the duration. The darkness spreads around corners. A creature with darkvision can't see through this darkness, and nonmagical light can't illuminate it.

If the point you choose is on an object you are holding or one that isn't being worn or carried, the darkness emanates from the object and moves with it. Completely covering the source of the darkness with an opaque object, such as a bowl or a helm, blocks the darkness.

If any of this spell's area overlaps with an area of light created by a spell of 2nd level or lower, the spell that created the light is dispelled.

INVISIBILITY

2nd-Level Illusion

Casting Time: 1 Action

Range: Touch

Components: V, S, M (an eyelash encased in gum arabic)

Duration: Concentration, up to 1 Hour

A creature you touch becomes invisible until the spell ends. Anything the target is wearing or carrying is invisible as long as it is on the target's person. The spell ends for a target that attacks or casts a spell.

At Higher Levels. When you cast this spell using a spell slot of 3rd level or higher, you can target one additional creature for each slot level above 2nd.

LEVEL 3

FLY

3rd-Level Transmutation

Casting Time: 1 Action

Range: Touch

Components: V, S, M (a wing feather from any bird)

Duration: Concentration, up to 10 Minutes

You touch a willing creature. The target gains a flying speed of 60 feet for the duration. When the spell ends, the target falls if it is still aloft, unless it can stop the fall.

At Higher Levels. When you cast this spell using a spell slot of 4th level or higher, you can target one additional creature for each slot level above 3rd.

THUNDER STEP

3rd-Level Conjuration

Casting Time: 1 Action

Range: 90 feet

Components: V

Duration: Instantaneous

You teleport yourself to an unoccupied space you can see within range. Immediately after you disappear, a thunderous boom sounds, and each creature within 10 feet

of the space you left must make a Constitution saving throw, taking 3d10 thunder damage on a failed save, or half as much damage on a successful one. The thunder can be heard from up to 300 feet away.

You can bring along objects as long as their weight doesn't exceed what you can carry. You can also teleport one willing creature of your size or smaller who is carrying gear up to its carrying capacity. The creature must be within 5 feet of you when you cast this spell, and there must be an unoccupied space within 5 feet of your destination space for the creature to appear in; otherwise, the creature is left behind.

At Higher Levels. When you cast this spell using a spell slot of 4th level or higher, the damage increases by 1d10 for each slot level above 3rd.

LEVEL 4

SHADOW OF MOIL

4th-Level Necromancy

Casting Time: 1 Action

Range: Self

Components: V, S, M (an undead eyeball encased in a gem worth at least 150 gp)

Duration: Concentration, Up to 1 Minute

Flame-like shadows wreath your body until the spell ends, causing you to become heavily obscured to others. The shadows turn dim light within 10 feet of you into darkness, and bright light in the same area to dim light.

Until the spell ends, you have resistance to radiant damage. In addition, whenever a creature within 10 feet of you hits you with an attack, the shadows lash out at that creature, dealing it 2d8 necrotic damage.

MAGIC ITEMS

MEDALLION OF ADORABLENESS

While wearing this medallion the wearer gets a +1 to Charisma (Persuasion) Checks and the Eldritch Blast Cantrip gets a +1 to attack and damage rolls.
