Ciaran Bramblehorn

CHARACTER NAME

32	5'8 ft	152 lbs
AGE	HEIGHT	WEIGHT
Emerald Green	Lightly Tanned	Red-Brown
EYES	SKIN	HAIR

Ciaran Bramblehorn is a lithe satyr with a chestnut goat's coat, ivory horns that sweep gracefully backward, and bright emerald eyes that sparkle with playful confidence. His wavy red-brown hair falls to his shoulders, often adorned with fresh flowers or colorful ribbons. He favors finely tailored forest-green and burgundy garments accented with silver embroidery.

CHARACTER APPEARANCE

Ciaran treats every conversation as a performance, effortlessly weaving compliments, stories, and gentle humor into even the briefest encounter. He keeps a small journal filled with unusual customs, songs, and historical anecdotes gathered from every settlement he visits, convinced they will one day inspire the perfect tale. Since arriving in Ty Coeden, he has enthusiastically embraced Caelthir traditions, though he occasionally misinterprets their customs with amusing results. He has a habit of offering fresh flowers or handwoven wreaths as tokens of appreciation after memorable meetings. Quiet moments often find him practicing melodies inspired by birdsong and rustling leaves, constantly refining his repertoire. Although naturally sociable, he rarely reveals his own worries, preferring to maintain an air of confidence and delight. Secretly, he fears that if his charm ever fails, others may find him far less remarkable than the persona he so carefully presents.

ADDITIONAL FEATURES & TRAITS

The Caelthir Tribe, who call themselves the Children of the Hidden Moon, is a secluded community united by a common purpose: protecting those stranded from the Feywild and uncovering the secrets of the mysterious portals that bind the two realms. Within their hidden village of Ty Coeden, Fey Eladrin, Korreds, Satyrs, Centaurs, and other Fey creatures work together, combining their knowledge in hopes of one day reopening a stable path home. The tribe values harmony with nature, self-reliance, and the preservation of Fey traditions, while remaining wary of the wider mortal world. Every new arrival is welcomed as kin, for each carries experiences that may help solve the mystery of the portals. Though many Caelthir long to return to the Feywild, others have begun to see Caledonia as their new home, creating a quiet divide between preserving the past and embracing the future.

SYMBOL

ALLIES & ORGANIZATIONS

Ciaran Bramblehorn spent much of his life wandering the Feywild, where satyr revels, timeless feasts, and grand performances shaped his love of music and storytelling. Fascinated by the tales behind every melody, he sought forgotten ballads and ancient legends, believing that understanding another's history was the key to earning their admiration. His remarkable charm eventually drew the attention of the College of Glamour, where he refined both his artistry and his enchanting presence.

Only recently, one of the unpredictable Fey portals carried Ciaran into the Woods of Lomond. Unable to return, he was welcomed into Ty Coeden by the Caelthir Tribe, who recognized him as another soul stranded between worlds. Though grateful for their hospitality, he still views his stay as temporary and eagerly questions anyone who might know more about the unstable portals.

Ciaran has quickly become a familiar face at village celebrations, where his performances lift spirits and strengthen bonds among the refugees. Beneath his effortless charisma, however, he carefully studies those around him, believing every person carries a story worth discovering—and that winning a heart begins with truly understanding it.

CHARACTER BACKGROUND

Whisperwind
A finely carved pan flute of pale rowan wood, etched with swirling Fey motifs. It accompanied Ciaran's first public performance in the Feywild and remains his most cherished instrument.

The Wayfarer's Songbook
A weathered leather-bound journal containing ancient ballads, historical notes, and melodies gathered from both the Feywild and the mortal realm, with blank pages awaiting future discoveries.

Bramble's Welcome
A silver brooch shaped like an unfurling bramble, presented by the Caelthir Tribe when they welcomed Ciaran into Ty Coeden as one of their own despite his recent arrival.

Features, Magic Items and Spells

Satyr Traits

Ram

You can use your head and horns to make unarmed strikes. When you hit with them, the strike deals 1d6 + your Strength modifier bludgeoning damage, instead of the bludgeoning damage normal for an unarmed strike.

Magic Resistance

You have advantage on saving throws against spells.

Mirthful Leaps

Whenever you make a long jump or a high jump, you can roll a d8 and add the number rolled to the number of feet you cover, even when making a standing jump. This extra distance costs movement as usual.

Reveler

As an embodiment of revelry, you have proficiency in the Performance and Persuasion skills, and you have proficiency with one musical instrument of your choice.

Feats

Tireless Reveler

When an ally you can see within 60 feet of yourself expends Heroic Inspiration, you can gain Heroic Inspiration if you lack it. You can use this benefit a number of times equal to your Proficiency Bonus, and you regain all expended uses when you finish a Short or Long Rest.

Bard Traits

Bardic Inspiration

Uses: 5, d8
You can supernaturally inspire others through words, music, or dance. This inspiration is represented by your Bardic Inspiration die, which is a d6.

Using Bardic Inspiration. As a Bonus Action, you can inspire another creature within 60 feet of yourself who can see or hear you. That creature gains one of your Bardic Inspiration dice. A creature can have only one Bardic Inspiration die at a time.

Once within the next hour when the creature fails a D20 Test, the creature can roll the Bardic Inspiration die and add the number rolled to the d20, potentially turning the failure into a success. A Bardic Inspiration die is expended when it's rolled.

Number of Uses. You can confer a Bardic Inspiration die a number of times equal to your Charisma modifier (minimum of once), and you regain all expended uses when you finish a Long Rest.

At Higher Levels. Your Bardic Inspiration die changes when you reach certain Bard levels, as shown in the Bardic Die column of the Bard Features table. The die becomes a **d8 at level 5**, a d10 at level 10, and a d12 at level 15.

Expertise

Performance, History Expertise
You gain Expertise in two of your skill proficiencies of your choice. Performance and Persuasion are recommended if you have proficiency in them.

At Bard level 9, you gain Expertise in two more of your skill proficiencies of your choice.

Jack of All Trades

You can add half your Proficiency Bonus (round down) to any ability check you make that uses a skill proficiency you lack and that doesn't otherwise use your Proficiency Bonus.

For example, if you make a Strength (Athletics) check and lack Athletics proficiency, you can add half your Proficiency Bonus to the check.

College of Glamour

Mantle of Inspiration

When you join the College of Glamour at 3rd level, you gain the ability to weave a song of fey magic that imbues your allies with vigor and speed.

As a bonus action, you can expend one use of your Bardic Inspiration to grant yourself a wondrous appearance. When you do so, choose a number of creatures you can see and that can see you within 60 feet of you, up to a number equal to your Charisma modifier (minimum of one). Each of them gains 5 temporary hit points. When a creature gains these temporary hit points, it can immediately use its reaction to move up to its speed, without provoking opportunity attacks.

The number of temporary hit points increases when you reach certain levels in this class, increasing to **8 at 5th level**, 11 at 10th level, and 14 at 15th level.

Enthralling Performance

Starting at 3rd level, you can charge your performance with seductive, fey magic.

If you perform for at least 1 minute, you can attempt to inspire wonder in your audience by singing, reciting a poem, or dancing. At the end of the performance, choose a number of humanoids within 60 feet of you who watched and listened to all of it, up to a number equal to your Charisma modifier (minimum of one). Each target must succeed on a Wisdom saving throw against your spell save DC or be charmed by you. While charmed in this way, the target idolizes you, it speaks glowingly of you to anyone who talks to it, and it hinders anyone who opposes you, although it avoids violence unless it was already inclined to fight on your behalf. This effect ends on a target after 1 hour, if it takes any damage, if you attack it, or if it witnesses you attacking or damaging any of its allies.

If a target succeeds on its saving throw, the target has no hint that you tried to charm it.

Once you use this feature, you can't use it again until you finish a short or long rest.

Mantle of Majesty

At 6th level, you gain the ability to cloak yourself in a fey magic that makes others want to serve you. As a bonus action, you cast command, without expending a spell slot, and you take on an appearance of unearthly beauty for 1 minute or until your concentration ends (as if you were concentrating on a spell). During this time, you can cast command as a bonus action on each of your turns, without expending a spell slot.

Any creature charmed by you automatically fails its saving throw against the command you cast with this feature.

Once you use this feature, you can't use it again until you finish a long rest.

Font of Inspiration

You now regain all your expended uses of Bardic Inspiration when you finish a Short or Long Rest.

In addition, you can expend a spell slot (no action required) to regain one expended use of Bardic Inspiration.

- The creature has Immunity to the Charmed and Frightened conditions until the spell ends. If the creature was already Charmed or Frightened, those conditions are suppressed for the duration.
- The creature becomes Indifferent about creatures of your choice that it's Hostile toward. This indifference ends if the target takes damage or witnesses its allies taking damage. When the spell ends, the creature's attitude returns to normal.

Enthrall

2nd-Level Enchantment

Level 3

Fast Friends

3rd-Level Enchantment

Casting Time: Action
Range: 30 Feet
Components: V

When you cast this spell, choose one humanoid within range that can see and hear you, and that can understand you. The creature must succeed on a Wisdom saving throw or become charmed by you for the duration. While the creature is charmed in this way, it undertakes to perform any services or activities you ask of it in a friendly manner, to the best of its ability.

You can set the creature new tasks when a previous task is completed, or if you decide to end its current task. If the service or activity might cause harm to the creature, or if it conflicts with the creature's normal activities and desires, the creature can make another Wisdom saving throw to try to end the effect. This save is made with advantage if you or your companions are fighting the creature. If the activity would result in certain death for the creature, the spell ends.

When the spell ends, the creature knows it was charmed by you.
